CROWLEY ASSOCIATES BECOMES NEWEST
REPRESENTATIVE FOR WILSON-HURD

Wilson-Hurd is pleased to announce that Crowley Associates will be representing the company's Electronic Control Product (ECP) and Core product lines in the northeastern United States, including metro New York City, Maine, Vermont, New Hampshire, Massachusetts, Connecticut, New Jersey, Delaware, Maryland, Virginia and West Virginia.

Crowley Associates has more than 20 years experience selling electronic components and design solutions to varying markets, including medical, military, and industrial. As an ISO 9002 registered firm, Crowley Associates is committed to providing the highest level of service to its customers and principals. The company employs 27 highly trained and motivated sales professionals.

Headquartered in Wausau, Wisconsin, Wilson-Hurd manufactures custom electronic control products, as well as custom printed and fabricated product identification products. The company's ECP product line includes membrane switches, elastomeric keypads, Piezo keypads, and Duraswitch PushGate and thiNcoder switch assemblies. The company's Core product line includes nameplates, dials, overlays, product identification plates, and rating plates.

Wilson-Hurd looks forward to the service and sales assistance that Crowley Associates personnel will supply to companies within the Northeast territory.
